### Student Comment

"This placement has given me a deeper understanding of working and communicating with a wide range of people from all sorts of backgrounds."

"It has helped me understand the music business, the range of jobs and pathways into the industry."

"I've really enjoyed being here."

### Employer/Supervisor Comment

"This has been an excellent placement; Amy has become involved in all aspects of our work."

"It's more than about arts, music and media it's about connecting with young people at all levels and in all circumstances."

"Work experience placements are good for us as one of our company aims is to work for young people with young people"
