Future Pathways Work Experience Placement

Student Daniel

School Judgemeanow Community College

Year 11

Placement

Date Commenced September 2007

Placement Description.

A busy garden centre on the outskirts of the city.

Daniel's duties include care and maintenance of plants and displays, assisting customers, keeping the work area clean and tidy and helping with deliveries.

Student Comment

öBeing on this Future Pathways placement has really improved my confidence in dealing with all sorts of different peopleö

öI've always wanted a practical job, I am enjoying this placement and I have applied to Brooksby College for next yearö

Employer/Supervisor Comment

öIt's been a real pleasure to have Daniel here, he has attended every day and he is always looking for things that need doing and making suggestionsö

öThe best thing about a long term placement is that we really get to know the student and we can support them in all sorts of different waysö

öThe change in Daniel has been remarkable, he is now confident, outgoing and a productive part of the teamö
