Student Comment

“I haven’t been at this placement for very long but I am really enjoying it. It is interesting to see what goes on in an office. I have enjoyed learning about different work places in Future Pathways. I was in a care home placement before this.”

“From doing the Future Pathways I hope to gain experience in different adult environments and confidence in being with other people. I hope this will all help me to make the right decision in what I would like to do in the future.”

Employer/Supervisor Comment

“I see no problems with her; Shanice has only been with us for a few weeks and already fits in well. She is pleasant, polite and works well in the office.”
