

## Work Experience Student case study

**Student:** Virraaj

### **Student Comment:**

“Working at BAE Systems Land Systems has really opened my eyes to the kind of work I would like to pursue in the future”

“I’ve learnt lots of new things, such as what the work environment is really like, how to use a number of engineering computer programs, as well as soldering and assembly skills”

### **Employer/Supervisor comment:**

“Virraaj settled quickly into the professional work environment and has demonstrated that he is capable of quality output”

“Virraaj demonstrated good problem solving skills and was able to present an excellent solution to the design task he was set”

“Work experience students bring fresh ideas and innovation to BAE Systems, and give new graduates a chance to manage and coordinate the work of another employee”
